Purchase 3 years of Gold Support and **SAVE 10%**

Gold Support for AirMagnet Products

Fluke Networks' Gold Support Membership Program offers comprehensive maintenance and technical support that is unique in the marketplace and offers you great value for your investment. Coverage is available for all AirMagnet products. As a Gold member you will be able to start taking advantage of the Gold member only benefits from the first day you register your AirMagnet product.

- **Free "AirMagnet Certified Professional" web-based training** for many AirMagnet products. AirMagnet certifications are recognized industry-wide as one of the premier vendor-specific programs.
- **100€ discount on any AirMagnet Academy Training** one day courses, including WLAN Fundamentals, WLAN Design and Survey, or WLAN Troubleshooting. Gold owners can benefit from this discount multiple times.
- **Free software update and upgrades** to ensure you are always benefiting from the latest enhancements for your products.
- **Free replacement, support, and repair of hardware** that "shipped in the box" in case of faults*, including analysis cards, sensors, antennas, and multi-adapter kits. Most accessories are covered by a 3 month warranty.**
- **Access to live 24x7*** technical support** from highly trained and multilingual**** technical experts to help with product installation, configuration, best practices & troubleshooting.

Gold = Total Value (ROI overview)

The economic case for Gold is clear. Compare the cost of Gold to the cost of the individual services it replaces.

Free Web Based training	€ 612	
USB Spectrum Adapter replacement	€ 536	
2 engineers attending AirMagnet Academy course	€ 200	
Total	€ 1,346	Gold pays for itself more than twice.

* Terms and conditions apply based on the hardware warranty document available at http://airmagnet.flukenetworks.com/assets/AirMagnet_Hardware_Warranty.pdf

** Must meet terms and conditions as defined in the hardware warranty
